**I**n April 2012, two friends joined their passion and knowledge for Arabian Horses and founded Al Juman Stud in Wafra, Kuwait. These two friends, Jasim Al Mesbah and Mohammad Al-Awadhi knew already from the start that their stud will host only the best Arabian Horses the World can provide and so already from the beginning, the standards was set high.

Within less than a year, the two friends competed in Kuwait 1st Breeders Show (C-Show) with their colt Aseel Al-Danat (Sinan Al Rayyan x Lateefa by Ashhal Al Rayyan) scoring 91.50 in the 2yrs old colts class and claiming not only the title of class winner and the Bronze Medal Colt but also winning the best head trophy! A great result for their first outing!

A month later, they competed in 2nd Kuwait International Championship (B-Show) where more than 400 horses

competed (between the international show and the Egyptian Event). Al Juman Stud proved to be at the right track by being named class winner in the 2yrs old fillies class with a score of 90.6 and claimed the title of Bronze Medal Filly with thier shining star filly Geneva Rose (Shagran al Nasser x Psytanium Mist) who already had some wins in Belgium before traveling to Kuwait. Moreover their Marwan granddaughter; Magnificoos Pippa (Marwan al Magnificoos x Magnificoos Gold), an addition coming from the US, was named Top Five in tough 3yrs old fillies class which is the same achievement she had at the prestigious Scottsdale Arabian Horse Show 2012.

After this success, both Jasim and Mohammad knew that this was their passion and started expanding their stud with more excellent horses.

*One of their recent purchases, who will also make her debut in Kuwait next year is the spectacular ASE Dafarida SL. This extreme filly has all it takes to take Al Juman Stud to the next level. Being by the brilliant RFI Farid and out of the famous immortal beauty Dakaree (Dakar el Jamaal) – ASE Dafarida SL will for sure make an impression at the show!*

*Another newly acquired horse is the very special Young colt ASE Faraaj (RFI Farid x ASE Bisiriya Hlanyil). A true diamond in the making, This young impressive colt already launched his show career by being named gold champion twice! The last title being won unanimously, claiming also the best in show title. Before going to Kuwait to challenge the best colts at the International show there, he will also be shown at Dutch Nationals and the Arabian Futurity show,*

*hosted by the prestigious All Nations Cup in Aachen.*

*Al Juman Stud also generously allows the use of their straight Egyptian stallions, Aseel Al-Danat (Sinan Al Rayyan x Lateefa by Ashhal Al Rayyan) and Mamlook Al Shaqab (Ansata Sokar x Bint Amirat al Shaqab) with who they represent some of the finest straight Egyptian breeding programs, by other breeders in the country. A great opportunity to the Kuwaiti breeders to use these great stallions who already proved themselves in the showing and that will prove themselves as breeding stallions as well.*

*Al Juman Stud now already has a solid base to build up a great stud in their beautiful country of Kuwait. As still in the beginning of their breeding program, we can only expect greatness! □*
